**Lt. Dr H C Sinha**

## About Us

Shivansh medical services is founded in the memory of Lt Dr H C Sinha whose vision was to providing best healthcare keeping customer's satisfaction utmost. His motto was **"Your health is our wealth"**. Keeping his vision and mission ON, Shivansh Medical Services, have been serving customers all over the world by offering almost 08 categories of first-aid kits ranging from standard to customized first-aid kits since 1998. Due to the quality of our offerings, we have made a reputed market image and emerged as a reliable manufacturer, trader and wholesaler. In 2021 we extended our services and providing wide range of "Dressing Items, Surgical Items & Patient monitoring systems at very competitive rates. Our registered office at New Delhi has earned the trust of customers by consistently maintaining premium quality in our offerings. We never make any compromise on rules and regulations that are predefined for our domain and this has, in turn, resulted in our grand success. We deals in all kinds of first aid kits and bags in metal, acrylic and fabricated material.

Being serving in medical field hygiene is our topmost priority so entire processing of order takes place in a hygienic environment followed by quality check before completion of process.

## Customer Satisfaction

We always pay attention on satisfying customers and retaining their trust. Over the years, we have served a huge number of customers and all of them are impressed with our products, policies and practices. We always deliver products on time and for this, we take help from renowned logistic companies who work 24x7 to make shipments on time and in a safe manner. In addition, we have joined hands with reputed vendors who deliver us the best material, which results in the production of quality array. Our company has successfully earned the loyalty of customers and developed a strong bond with them on the basis of its excellence in all spheres of business.

## Rich In Experience

In the entire first aid kit market, we hold a strong reputation. We have been serving the industry and meeting requirements of customers, since 1998. The journey is long and has made us deal with numerous customers. Our experience has given us ability to better understand the requirements of customers and fulfill them. Our product ranges from standard first aid kits/bags/pouches to customised first aid kits/bags/pouches made up from acrylic material to metal and water proof non-moisture fabrics. We also provides empty first aid kits/bags/pouches and also the contents of first aid kit all at a reasonable price. In the journey, we have mustered a huge clientele, which includes many airlines, hospitals, nursing homes, corporate clients, hospitality sector and etc. Our clientele ranges from aviation industry to corporate industry and from education industry to heavy industry.

## EMERGENCY FIRST AID KIT

It is being made keeping in mind to minimize and cover normal emergencies faced in our daily routine life which can be turned into fatal ones, by providing first aid till the arriving of real aid to the patient. Materials used are in metal, acrylic and fabric waterproof non moisture and the contents are to cover all normal emergencies required at site.
